

## Bethel Outing Club Nordic Athlete Event Grant Individual Application

One of the central missions of the Bethel Outing Club is to support local Nordic skiers who ski as part of a local race program. In recognition that race registration fees and travel expenses can make it difficult for some athletes to pursue their goals at the highest levels of competition, the club will consider requests by individual athletes to help defray the costs of attending competitions and training camps.

Funding is available to BOC members who are paid up members as of January 1<sup>st</sup> in the year they apply for a grant, and who are also SAD44 or Gould Academy athletes.

Please return the form electronically to [ngreenberg17@gmail.com](mailto:ngreenberg17@gmail.com)
